This service will terminate telephone calls received from the Customer telephone numbers in to the Public Switched Telephone Network (PSTN). Each call terminated will be measured in six (6) second increments for duration and charged on a usage basis at a rate specified in the contract. Calls are assigned a type from the following:

- Intra-State LD
- Domestic 48 LD
- Alaska LD
- Puerto Rico LD
- U S Virgin Islands LD
- International LD

Each call type may be specified a different rate as specified in the contract. International LD call charged based on a per destination country (land-line and mobile) rate.

Customer is subject to Additional Terms and Acceptable Use Policies as posted at www.lightedge.com/legal, which are subject to change periodically.

2.2 Features

No additional features are provided with this service.

2.3 Availability

The availability of Service is dependent on existence of a suitable network transport from LightEdge to User(s). LightEdge reserves the right to limit availability of Service even if suitable network transport exists between LightEdge and Users.

3.0 Service Options

There are no additional Service Options associated with this service.

4.0 Service Delivery

4.1 General

It is Customer's responsibility to ensure that all Users devices are able to connect to Service and are configured properly. This includes but is not limited to Ethernet switches, Ethernet cabling, workstations, servers and operating systems.

4.2 Installation

If additional configuration work is required due to limitations of the Customer Network LightEdge reserves the right to bill customer at current hourly rates for additional configuration time. LightEdge is NOT responsible for and will not be obligated to provide any support of or assistance in configuration, installation, administration, troubleshooting, maintenance, or repair of such customer equipment or integration of such customer equipment into Customer's internal network. LightEdge is NOT responsible for and will not be obligated to provide any support of or assistance in configuration, installation, administration, troubleshooting, maintenance, or repair of any software or network application or integration of such software or hardware application into the Customer Network.

4.3 Service Upgrades

LightEdge may use other methods to provide Customer with equivalent Service. LightEdge reserves the right to replace Customer Service with equivalent or upgraded Service at any time during contract duration. LightEdge will make an effort to coordinate any such Service change with the Customer prior to such change. If LightEdge is unable to coordinate an acceptable time for a Service change with the Customer LightEdge reserves the right to make such a Service change during a scheduled maintenance window.

5.0 Equipment

5.1 Equipment Requirements

Customer is responsible for all equipment used to access Service

5.2 Equipment Configuration

Customer is responsible for all Equipment configuration changes not specifically outlined herein. Customer is responsible for any Equipment modifications necessary at Customer Premise to accommodate Service outlined herein.

5.3 Equipment Failure

Unless Customer has contracted with LightEdge for Equipment warranty Customer is responsible for any failure of Equipment.

6.0 Service Support

6.1 Authorized Contacts

LightEdge Solutions provides reliable and secure managed services by requiring technical support and information requests come only from documented, authorized client-organization contacts. Additionally, in compliance with federally regulated CPNI (Customer Proprietary Network Information) rules, a customer contacting LightEdge Solutions to request an add, move, or change and/or to request information on their account, must provide LightEdge representative with customer's Codeword. Codeword is not required or verified to open trouble tickets related to service issues, however, any subsequent information/updates or authorization of intrusive testing related to the trouble ticket will require the Codeword.

Customer shall provide a "contact list" which will contain one ("1") Administrative contact and may contain up to three ("3") Technical contacts per service. Administrative and Technical contacts are authorized to request service changes or

information, including the contact name, contact e-mail address and contact phone number for each contact but must provide customer Codeword for any CPNI related requests. Requests to change a contact on the list or to change the Codeword must be submitted by the Administrative contact. Requests to replace the Administrative contact shall be submitted via fax to LightEdge on customer company letterhead. All requests are verified per procedure below.

- Requests for CPNI, configuration information or changes are accepted only from documented, authorized client-organization contacts via e-mail, fax or phone and will require Customer's Codeword. E-mail and fax requests must be submitted without the Codeword. Customer contact will be called to verify Codeword. E-mail requests that include the Codeword will be denied and the client Administrative Contact will be notified and required to change the Codeword.
- E-mail and fax requests are verified with a phone call to the documented client contact. Phone call requests must be validated with an e-mail request from a documented client contact.

6.2 Helpdesk

Customers must contact LightEdge Support to report service trouble or an outage with LightEdge Technical Support. LightEdge Technical Support will be available seven (7) days per week; twenty-four (24) hours per day; three hundred sixty-five (365) days per year. LightEdge Technical Support provides support for network monitoring, trouble ticket resolution, and fault isolation up to the termination Equipment.

LightEdge Technical Support will accept trouble and outage related support calls from any customer representative. Requests for service changes or information are accepted from any Authorized Contact per conditions and procedures described above in Section 6.1. LightEdge will not perform any requested activity which may cause Service disruption or perform any changes to Service unless request is initiated by an Authorized Contact. LightEdge reserves the right to delay response on support tickets opened by anyone other than the Authorized Contact.

Communication between Customer and LightEdge not initiated by Authorized Contact will not be subject to SLA remedies.

All communications with Customer will be in the English language.

6.3 Support Limitations

LightEdge Technical Support is not responsible for end-user support of issues not directly related to Service. This includes (but is not limited to) Customer operating systems, Customer equipment, or Customer application support.

6.4 Monitoring

LightEdge performs monitoring of Service availability. If Service is unavailable LightEdge support personnel are notified immediately and will begin efforts to restore service.

6.5 Notifications

Customer notification is not available with this Service.

6.6 Maintenance

Maintenance window for disruptive work to service will be limited 12:00 A.M. to 4:00 A.M., Central Daylight Time (CDT), any day with requirement of two (2) business day notification to Customer prior to maintenance.

LightEdge will send an e-mail notification of such disruptive maintenance to Service to Authorized Contacts of Customer. Once notification is sent to Customer this will be considered a "scheduled maintenance". Any Service SLAs will not apply during a scheduled maintenance.

LightEdge reserves the right to perform emergency Service or network maintenance as needed outside this window, in which case LightEdge will make a reasonable effort to notify the Customer if feasible under the circumstances. Any such maintenance will be considered an "emergency maintenance". All Service SLAs will apply during emergency maintenance.

Customer is responsible for maintaining and up-to-date Authorized Contact list with LightEdge. LightEdge will not be held responsible for maintenance notifications missed due to out-of-date Authorized Contact information.

6.7 Backup and Recovery

LightEdge makes no warranty or representation of any data backup with this Service.

7.0 Billing

7.1 Service Activation Date

The Service Activation Date is the date on which Service is activated for Customer by LightEdge. The Service Activation Date may or may not correspond to the date customer first uses Service. Billing for the Service Component will begin on the Service Activation Date.

7.2 Service Usage-based

LightEdge will bill Customer monthly for the long distance charges used by Customer during each calendar month.

8.0 Customer Requirements

Customer shall be fully responsible for providing to LightEdge at Customer's own expense and in a timely manner the following:

- All security for its Services and systems used or accessible in connection with Service.
- Cooperative testing of all Customer-provided hardware, software, and Services for compatibility with Service.
- Designating an Authorized Contact(s) to be the point of contact to interface with LightEdge Technical Support.
- All cabling necessary to support Service
- Earth grounding available within 20 feet of Equipment used to terminate Service
- An Equipment room environmentally compliant with local laws and other environmental conditions as specified by LightEdge; reasonable access to the Equipment at times specified by LightEdge; adequate work space, heating/cooling, light, ventilation, and electrical outlets and for any Service which requires a telephone line, as detailed in the Service Guide. Customer shall also arrange provide timely access to any rights of way, which LightEdge deems necessary to provide, maintain or remove the facilities required for any of the Services on all applicable premises without charge or cost to LightEdge. Equipment shall not be removed, relocated, modified, interfered with, or attached to non-LightEdge Equipment by Customer without prior written authorization from LightEdge.
- Local POTS lines matching quantity and optioning defined by LightEdge for off-net sites.

9.0 Service Conditions

Customer acknowledges that in the event of a trouble, Customer is responsible for on-site cooperative testing with LightEdge Technical Support to assist in the diagnosis of the trouble.

Customer agrees to be bound to current terms of LightEdge Acceptable Use Policy. Terms of the Acceptable Use Policy are subject to change without notice. Customer

agrees to be bound to any and all versions of LightEdge Acceptable Use Policy. Current Acceptable Use Policy can be found here: <http://www.lightedge.com/legal>

Customer agrees that excessive use of Service to bypass LEC charge-backs, whether intentional or accidental, is prohibited. LightEdge reserves the right to block such use of Service or to bill for such use at market rates. LightEdge shall be the sole party responsible for determining what level of use shall be construed as excessive.

10.0 Service Level Agreements

10.1 General

LightEdge will be the sole party to determine whether LightEdge has not met any of the Service level agreements specified herein. LightEdge reserves the right to change or discontinue any or all of the Service level agreements detailed below at any time without notice to the Customer. Customer must at all times cooperate with LightEdge in testing, determining and verifying that a qualifying Service outage has occurred.

10.2 SLA Credit Request Process and Limitations

In order to receive any of the SLA credits (specified herein) for Service, an Authorized Contact must immediately notify LightEdge Technical Support of an occurrence within the LightEdge Service that results in the inability of the Customer to access Service ("Service Outage"). A Service Outage does not include an outage that occurs during scheduled periods of maintenance or upgrades.

LightEdge Technical Support will investigate the reported outage and assign a Trouble Ticket number. Once LightEdge determines that the substantiated Service Outage that could qualify Customer for the SLA credit occurred ("Verifiable Trouble Ticket"), then Customer may request a Service Credit within 30 days after the event giving rise to the credit by contacting LightEdge Technical Support and asking for an SLA credit escalation. A Verifiable Trouble Ticket must accompany Customer's request for any SLA credit regarding the Service purchased by Customer. Credits should appear on Customer's bill for the Service within two (2) billing cycles, after such SLA credit has been approved by the LightEdge representative.

In any calendar year, Customer's aggregated SLA credits may not exceed, for any Service, three (3) month's worth of the monthly Service fee for the affected Service.

In any billing month SLA credits may not exceed, for any Service, fifty (50) percent of the monthly Service fee for the affected Service.

For purpose of calculating SLA credits, this monthly Service fee shall mean the monthly recurring charge for such Service, but excluding, in all cases, (i) any monthly recurring fees for the Service features (e.g., domain name hosting or e-mail Service), (ii) all one-time charges; and (iii) at all times excluding the monthly recurring charge attributable to Equipment for such Service.

Credits are exclusive of any applicable taxes charged to the Customer or collected by LightEdge.

10.3 SLA Exclusions

10.3.1 Global SLA Exclusions

SLAs do not apply and LightEdge is not responsible for failure to meet an SLA resulting from:

- Misconduct of Customer or Users of Service
- Failure or deficient performance of power, Equipment, Services or systems not provided by LightEdge
- Delay caused or requested by Customer
- Service interruptions, deficiencies, degradations or delays due to any access lines (i.e. POTS line) whether provided by LightEdge or by third parties, or Equipment when provided by third parties.
- Service interruptions, deficiencies, degradations or delays during any period in which LightEdge or its representatives are not afforded access to the premises where access lines associated with Service are terminated or LightEdge Equipment is located
- Service interruptions, deficiencies, degradations or delays during any period when a Service Component is removed from Service for maintenance, replacement, or rearrangement purposes or for the implementation of a Customer order
- Customer's election to not release a Service Component for testing and/or repair and to continue using the Service Component
- Force Majeure conditions such as fire, explosion, lightning, power surges or failures, strikes or labor disputes, water, acts of god, the elements, war, civil disturbances, terror, acts of civil or military authorities, fuel or energy shortages, acts or omissions of suppliers or other causes beyond LightEdge's control, whether or not similar to the foregoing.
- Service interruptions, deficiencies, degradations or delays during any period when a Service Component is removed from Service for maintenance, replacement, or rearrangement purposes by Customer staff.
- Failure to provide suitable secure environment for on premise devices including but not limited to: secure mounting/racking, appropriate cooling and air handling, secure from theft, loose wires bundled neatly, etc.
- Service interruptions, deficiencies, degradations or delays in Service caused by any piece of equipment, configuration, routing event or technology not under the management and control of LightEdge.
- Failure to adhere to LightEdge recommended configurations on unmanaged equipment.
- Over 30 day past due balance on any billing or service with LightEdge.

In addition, Service SLAs do not apply (a) if Customer is entitled to other available credits, compensation or remedies under Customer's Service Agreement for the same Service interruption, deficiency, degradation or delay, (b) for Service interruptions, deficiencies, degradations or delays not reported by Customer to LightEdge, (c) where Customer reports an SLA failure, but LightEdge does not find any SLA failure, and (d) when Service is dependent upon other Service with lower SLA.

If Customer elects to use another provider or method to restore Service during the period of interruption, Customer must pay the charges for the alternative Service used.

10.3.2 Service SLA Exclusions

None yet identified.

10.4 SLA Classifications

10.4.1 Availability

"Availability" SLAs apply only when service is completely unavailable due to any sort of issue. After Customer opens a ticket on Service issue LightEdge Technical Support will classify the issue. If LightEdge Technical Support determines that Customer service is 100% unavailable the issue will be categorized as a "Service Availability" issue and all SLA remedies applicable to Service Availability will apply. Any SLA remedies not specifically defined as "Service Availability" SLAs will not apply to same "Service Availability" issue.

10.4.2 Performance

Performance SLAs apply if Service is available in a degraded state. After Customer opens a ticket on Service issue LightEdge Technical Support will classify the issue. If LightEdge Technical Support determines that Customer service is available albeit with performance degradation the issue will be categorized as a "Service Performance" issue and all SLA remedies applicable to Service Performance will apply. Any SLA remedies not specifically defined as "Service Performance" SLAs will not apply to same Service issue.

Service Performance SLA credits will not be given if Service Availability SLA credits are requested against same Customer issue.

10.4.3 Other

"Other" SLAs apply whenever SLA goal has not been met. "Other" SLA credits will qualify for consideration even when "Service Availability" or "Service Performance" SLA credits are requested against the same Customer issue.

10.5 Availability SLA Goals

10.5.1 Availability SLA

For purpose of the Availability SLA, the duration of a Service Outage shall be deemed to commence upon the opening of a Verifiable Trouble Ticket by LightEdge Technical Support, in response to the Customer request, and ends when the Service Outage ends.

Trouble tickets, where the Service Outage cannot be verified with LightEdge's standard diagnostic procedures, do not count towards the Availability SLA.

Goal	Remedy
99.9% availability ~ 43.2 minutes downtime monthly	Failure to meet the goal does not qualify the Customer for any credit

10.5.2 Service Repair Objective

For purpose of the Repair Objective, the duration of a Service Outage shall be deemed to commence upon the determination by LightEdge Technical Support that Service Repair is necessary and ends when the Service Repair has been completed.

Goal	Objective
4 hours	LightEdge will make all reasonable efforts to resolve problems resulting from Customer initiated trouble tickets for this Service within four (4) hours.

10.6 Performance SLA Goals

There are no Performance SLA Goals with this Service.
